

WELCOME BACK TO SCHOOL FAMILY FRIENDLY SCHOOLS - NORTH JACKSON

The online enrollment registration process is **available online starting Monday, July 10th**, on the School District of Janesville's website. We encourage parents/guardians to **register online** from any computer/device with access to the Internet. It is helpful to have your family emergency contact information and any medical information with you while enrolling. The primary household listed in **Infinite Campus** will be the household information needed to complete the registration process. If you have other students enrolled in the School District of Janesville, you will use the same login information for all of them. If you are in need of your login/password, please send an email to campus@janesville.k12.wi.us. An IT Technician will follow up and reply to your request.

Jackson School will be open for any parent/guardian in need of assistance with registration on **Wednesday, August 16th, from 9:00 am – 11:00 am or 3:00pm – 6:00pm**. If you register online you do not need to attend registration on August 16th, as you may pay for school fees online with VISA, MasterCard, e-pay or pre-paid credit card. If you attend registration on August 16th, you may pay online for enrollment fees at that time. Please bring emergency contact information with you to complete your student's information. Our Library Media Center and computer labs will be available for your use. Staff will be available to assist you with questions and give you login/password information if needed. ****P4J students do not need to complete the Online Registration process.**
